SKIN CARE

MICROSKIN

Mother Nature approved.

Put your best face forward and prolong the effects from your treatment with our advanced and all-natural skin care range. Manufactured in South Africa, the MicroSkin range is scientifically formulated to provide the most advanced care and nourishment to promote a healthy complexion.

OUR PRODUCT

MicroSkin products combine the purity of nature with the power of science. Our world-class team biochemists and pharmacist balance rare herbal extracts, aromatherapy oils and bio and peptide technologies.

Our product is a cosmeceutical. Microskin is a luxurious cosmeceutical skincare range specifically formulated for South African skin. Our team of skilled biochemists and pharmacists created each product with targeted formulations. The Microskin range effectively addresses common skin concerns such as barrier impairment, redness, inflammation, dark spots, and pigmentation.

Our commitment to safety is unparalleled - our products undergo thorough testing to ensure your peace of mind. We rigorously test on real people to assure both safe and effective products that provide incredible results year after year.

MicroSkin uses active ingredients, so our products are more effective and last longer. We never use cheap fillers such as tap water or mineral oil.

We are passionate about incorporating only the finest natural ingredients in our product formulations, so you can indulge in a luxurious skincare experience without compromising on quality.

MicroSkin is perfect for both sensitive and hypersensitive skin. Our team of biochemists and pharmacist choose ingredients and craft formulations with the lowest possible allergy potential.

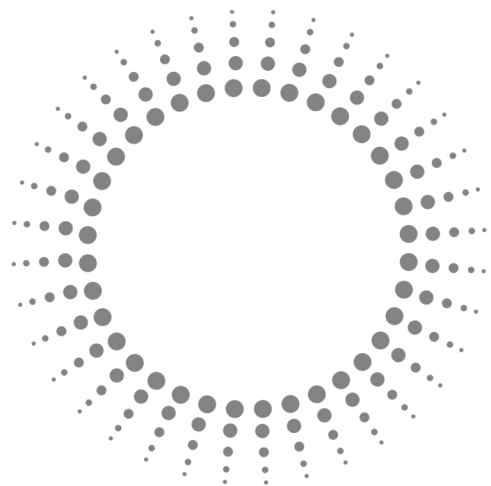

Our products are fragranced naturally with essential oils and flowers. We never use alcohol-based perfumes that can dry and irritate the skin.

Our luxury skincare line is truly affordable. We provide the finest products in the world at an incredible value and multiple benefits to save you time and money so you can afford to replenish your products regularly.

Experience the comprehensive benefits of our specialized skincare range, meticulously crafted to address all visible signs of aging, for a smoother, healthier, and more radiant-looking complexion.

Choose Microskin for a cosmeceutical skincare range that delivers on its promises, enhances your natural beauty, and leaves you feeling confident in your own skin.

FLAWLESS SERUM

7 Serums in 1

Line Reduction, Firmness, Even Tone, Strengthening Hydration, Radiance, Antioxidants

Powered by Neuro plus signal peptides this deep-and fast-penetrating face serum boosts 7 key repair actions. Reduces the look of multiple signs of ageing caused by the environmental factors. Skin looks smoother and less lined, younger, more radiant, and even toned.

Skin looks radiant and plumped with hydration.

Lines and wrinkles appear reduced.

Skin feels firmer.

Skin looks healthy and has a new bounce and vitality.

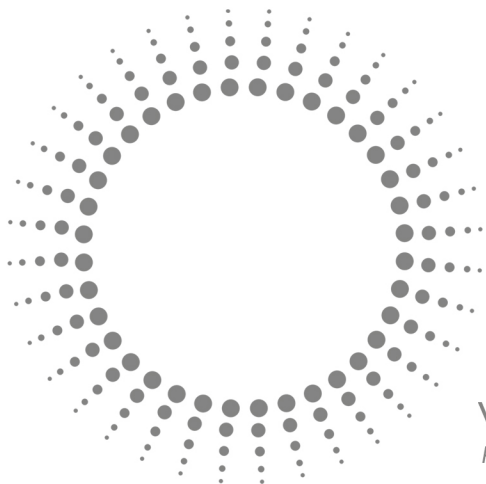

For all ages, all skin tones, and all skin types. This is the high-performance face serum beautiful skin can't live without. Flawless Serum harnesses the restorative power of night to deliver visible renewal. It works night and day to help optimize the skin's natural rhythm of renewal.

Having a significantly smaller particle size than a standard emulsion, the micro-droplets formed have more surface area, allowing for increased interaction with skin and better penetration of its ingredients.

Tests demonstrated the ability of oil soluble hyaluronic acid (Particle size <50D) contained in Flawless Serum to penetrate the skin deep down up to the dermis layer, thereby enabling it to deliver the known activity of this molecular size.

TREAT

VITA BOOST SERUM

Radiant, restored and more healthy-looking skin.

The power is within your skin. Balance oil and water dry skin to restore your skin's protective layer. Balance sebum production in skin.

Beneficial for wound healing, scars, and burns.

Wake up looking radiant, morning after morning.

REVITALIZES with 2X concentrated Vitamins, and Collagen Boosting Technology to help re-ignite skin's power to help itself feel firmer, look more radiant. This is important because natural protein production peaks while you sleep.

FIRMING NECK & BUST

This rich neck and bust treatment creme reveal a more lifted, youthful look while you sleep.

Skin feels firmer, denser as elasticity increases.

Lines and wrinkles look diminished. Radiance is restored. Skin stays intensely nourished all night, so you wake up glowing with a fresh, healthy look.

Our powerful Peptide Lift Plus Complex, VOLUFILINE™, helps skin build its natural collagen to strengthen its natural support.

Remodel the contours of the décolleté through a progressive and targeted process, also moisturise, protect, and promote collagen synthesis and slow down the aging process.

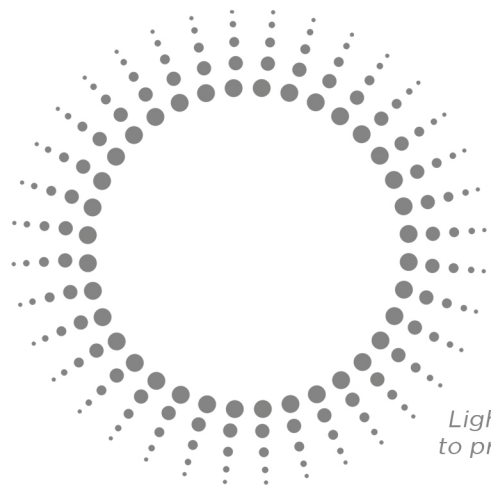

EYE CARE

Formulated to target fine lines and dark circles

A silky eye creme to brighten the look of dark circles in just 2 weeks. The fresh, lightweight, fast-absorbing eye creme works night and day to help repair and improve the look of skin, with real results.

SUN CARE

SUN PROTECT

*Light Mineral-based sunscreen
to protect the skin against UVA
and UVB rays.*

Mineral-based sunscreen with the active ingredient, zinc oxide that reflects light off the surface of the skin where the sunscreen is applied back into the environment, much like a mirror. It's a photostable, broad-spectrum sunscreen, so it has one of the broadest UVA and UVB coverages of all the sunscreen ingredients. Since zinc oxide is used as a skin protectant, it rarely causes irritation on the skin.
